

LABORERS' STRIKE DELAYS BUILDING

With the laborers and hod carriers' strike still in effect the building operations in and about Norwich are being held up as far as brick work and foundation work is concerned. Excavation work is also at a stand still as laborers cannot be procured to do the work. However, many of the contractors have jobs that the strike does not affect the work and the carpentry work is still progressing. The largest contract held up by the strike is the tenement houses for the Peconic company at the corner of Norwich and Main streets. The Peconic company has the material all on the building site but work has stopped at this point. Other contractors are affected the same way but yet there is no sign of a settlement, the master builders standing firm in their determination not to give in to the laborers whose demands they claim are beyond reason.

Three building applications have been received by Fire Marshal Howard J. Stanton during the past week and include one application for permission to erect a garage and two for additions to present buildings.

Fred Bentley asks permission to erect a frame garage at 36 Lafayette street on the property owned by the Falls company. The structure is to be of wood with concrete foundation and cement floor. The roof will be done in composition shingles.

At her home at 66 Elizabeth street, Mrs. Oscar Bjork asks to erect an addition to the present building. The addition is to be of frame construction 6x12 and one story high. The interior finish will be in cypress and the outside finish will be in clapboard and shingled. The foundation is to be of concrete and stone.

Charles Jaskiewicz of Sherman street is to erect a 7-25 foot addition to his present house. The structure is to be of a frame with clapboard sides and composition paper roof. The building is to be used as an office for the owner's garage business.

Work on the house for Archibald Torrence at the corner of McKinley and Rockwell streets is past the brickwork stage and the frame work is now being erected.

NEW LONDON.

The foundations are being laid on Bank

GIVES CREDIT THROUGH THE LAND
Backache, lame and stiff muscles and rheumatic pains are often symptoms of deranged kidneys. "I had weak bladder, bad kidneys and liver," writes Willie Carter, Loxar, Pa. "I could not sleep well and my back pained me awfully. I had a dizzy feeling in the morning. Since taking Foley's Kidney Pills I have been relieved of all such ailments. They rid the system of the poisonous acids that cause aches and pains. Lee & Osgood Co.,

street for the new block which Antonio Grippo of 6 Truman street is building for himself. The block will be 40x100 feet, with a garage on the ground floor, auto storage on the second floor and a six-room apartment on the third floor, with a large assembly hall. The cost will be about \$45,000 and the work will be done by the day by the owner.

Architects have completed the plans for the proposed building to be erected for the Salvation Army on Main street adjoining the building of the Day. It will be three stories high, of brick, with a front of tapestry brick and gravel roof. There will be two stories on the ground floor and the remainder of the building will be used for the army. The heating will be by steam.

The contract for laying the stone foundations for the proposed block to be erected on Bank street, at the junction of Montauk avenue, for A. L. & H. E. Burr has been let to Louis Camillus & Co. As previously described, the building will be three stories high, 74x90 feet, arranged for stores and apartments. The plans for the superstructure will be out in about 10 days.

Building Permits.

Arthur T. Burr, Willets avenue, frame garage. Cost \$500.
Mrs. A. W. Brown, frame cottage, Gordon street. Cost \$4,000.
Mrs. Rachel Blackin, concrete block garage, Reed street. Cost \$800.
Harry O'Brien, frame addition, Oneo street. Cost \$800.
N. L. Home Owners' association, five frame cottages, Norwood avenue. Cost \$15,000.

EAST LYME.

The contract has been let to Thomas Ochilum for the erection of the new building at Bride Lake, East Lyme, for the Connecticut state farm for women. The building will be 100x35 feet, with an ell 48 feet, of wood, two stories high, and heated by steam. The cost will be about \$60,000.

LYME.

Preliminary plans have been accepted for the proposed memorial to the sailors and soldiers in the world war to be erected

in Lyme, the cost of which will be about \$25,000. The building will be 60x80 feet, of wood, and will contain quarters for the town clerk and other offices, society rooms, public hall, social rooms, etc. Thomas Haines of Lyme is chairman of the committee having the matter in charge.

REAL ESTATE SALES

AND MORTGAGE LOANS
Norwich had 19 sales of real estate during the past week to 14 for the corresponding week last year. The mortgage loans for the respective weeks were \$32,908 and \$1,580.

In New London there were 13 sales of realty last week to 16 for the same week last year. The loans for the two weeks totalled \$37,890 and \$61,515 respectively.

SOUTH WINDHAM

Mrs. Walter Abbe, Jr., and children were guests of Mrs. Andrew Maine of Groton the past week.

Miss Althea Maples of Norwich has been the guest of her aunt, Mrs. Helen Tubbs.

Mr. and Mrs. Walter Backus spent Sunday in New London.

Miss Martha Manning of Norwich is spending a few days at her home.

Mrs. A. W. Brown, frame cottage, Gordon street. Cost \$4,000.

Mrs. Rachel Blackin, concrete block garage, Reed street. Cost \$800.

Harry O'Brien, frame addition, Oneo street. Cost \$800.

N. L. Home Owners' association, five frame cottages, Norwood avenue. Cost \$15,000.

EKONK

Rev. Mr. Malouf was able to be at the church Sunday and preached a very able sermon. He expects to come again next Sunday and give his farewell address. He will go with his wife to California about July 1st for his health. Mrs. Malouf is with friends in Massachusetts.

The body of Mrs. Stanton widow of Rev. Edwin Stanton of Miami, Florida will be brought to Norwich for burial in Yantic cemetery Wednesday next. Relatives from here expect to attend to burial.

Ten members of Ekonk Grange visited Plainfield grange last week Tuesday evening and witnessed the work of the degree team. They visited Pachaug grange Thursday.

Miss Gladys Gallup spent the week end with Miss Esther Gallup in Hartford. Carl Gallup carried James Condon and family to Worcester Sunday to see William Condon, who is still in the hospital and not improving.

Ekonk Grange held an interesting meeting Friday evening and seven candidates were instructed in the first and second degrees.

Mr. and Mrs. Hamilton Wilcox visited Mr. and Mrs. Charles Pratt in Plainfield Sunday and called on their friends here. Farmers are getting discouraged over the unfavorable weather for planting.

A woman and her daughter from New York came to George Green's to board last week.

William Jarvis lost his best cow Friday night; it got mired in the swamp and died.

Edwin S. Gallup and Herman Frink spent Saturday in Norwich.

MANSFIELD DEPOT

Mrs. Wallace Porter is visiting her sister in Brookline, Mass. Mr. Porter who accompanied her, returned after three days.

Miss Mildred Garvey of Willimantic visited friends in this village Tuesday of last week, and again Friday.

Mr. and Mrs. William Farrow of Foxglove, Bigo, visited at the McCollum from Thursday to Monday last.

Clifford Botham has a car.

Postmaster Hanson and family visited friends in Norwich Sunday.

Anthony and Hansen and family of North Windham spent Sunday at the home of Mr. Hansen's sister, Mrs. LaBonte.

Mr. and Mrs. Emory Whitcomb and Edw. Sueck of Middletown made a brief visit at the parsonage Sunday.

Mrs. Mary Dimock and her daughter Miss Mabel of Willimantic, spent the week end with Mrs. K. L. Dimock, at the Pollard farm.

W. V. Fowler has returned to her home on the hill for the summer.

Mr. and Mrs. Albert Botham and son Clifford visited the Misses Thompson at Hampton Sunday.

Mr. and Mrs. E. McCollum and their son Fenelon, Jr., visited friends in Stafford and Rockville Sunday.

Mildred Powers, at the Johnson Memorial hospital in Stafford Springs, received a shower of postcard greetings last week from C. E. and other friends in town.

The midweek hour of devotion will be held Thursday at 7:30 p. m. in the parsonage.

Rev. Elbert E. Gates of Hartford, pastor at large of the Connecticut Baptist convention, will preach the Memorial sermon at Dunham Memorial church Sunday morning next. The public service begins at 10:45.

Mr. Gates will also conduct the service at the Mansfield State Training school and hospital next Sunday afternoon.

NORTH STONINGTON

Rev. O. D. Fisher spent Sunday in Boston.

The Glory Band from Potter Hill, R. I., conducted morning service in the Congregational church Sunday. The speaker was David E. Hart.

Miss Lila C. Thompson spent Saturday night and Sunday with her cousin, Miss Dora T. Main in Stonington.

Lewis L. W. Pearson, a teacher in Wheeler school, has returned to his duties after a serious illness with appendicitis.

Dr. and Mrs. W. H. Knowles of Danbury have been guests for a few days of Mrs. E. H. Knowles.

Wheeler school commencement will take place June 7th. The graduating class will number only three.

The Ladies' society of the Third Baptist church served a jubilee dinner at the home of Mrs. Elmer E. Maine Thursday. The menu included baked meat and beans, scalloped potatoes, macaroni, brown bread, pie and coffee. Among those present were Arthur M. Cobleigh of the Ashwille district, the secretary of the town school board.

A concert was given Friday evening by Wheeler school musicians from Westerly being on the program.

The Third Baptist church has fallen into line with the progressive and holds its services by daylight saving time.

Mr. and Mrs. Frank A. Thompson, who have been ill, are both much better.

A course of lectures on citizenship is to be given in the vestry of the Congregational church, beginning Wednesday afternoon.

Perhaps Mohammed went to the mountain because he was tired of the sea shore.

New Chief Forester U. S. Forest Service

Col. William B. Greeley, who has been named as Chief Forester of the U. S. Forest Service, succeeding Col. Henry S. Graves, who retires May 1st, Colonel Greeley is from California and the Yale Forest School and has been in the forest service continuously since 1904, except for two years of military service with the American Expeditionary Forces.

TRY THIS TO BANISH ALL RHEUMATIC PAINS

People who have been rheumatic sufferers for years—yes, even so crippled that they were unable to help themselves—have been brought back to robust health through the mighty power of RHEUMA.

RHEUMA acts with speed; it often brings in only a few days the relief you have longed for. It helps antagonize and drive from the system the poisons that cause agony and pain in the joints and muscles, then all soreness should completely disappear.

It is a harmless, inexpensive remedy, but gratifying and quick-acting, and is the one discovery that has forced rheumatism and sciatica to yield and disappear.

It is only necessary to try one RHEUMA bottle, and if you do not immediately begin to get the joyful relief you expect your money will be gladly returned. Lee & Osgood always have a supply of RHEUMA and guarantee it to you.

YOU need never lose the original color and newness of your shoes if you use superior shoe polish.

Brown, Gray, White—in fact all colors including cordovan for cordovan.

Whittemore's 1. Preserves the 3 big points of leather. 2. Gives a more lasting shine. 3. Keeps shoes looking new.

Whittemore's Shoe Polishes ARE SUPERIOR

SOUTH KILLINGLY

Pierre Bernier who has lived in the Horse Hill section for a number of years has sold his farm and will move to Danbury.

Henry Leonard and family and Jack Hines of Valley Falls, spent the week end at G. R. Barlow's.

A. A. Jacques was in New York Tuesday to meet his mother, Mrs. Thomas Jacques who has been spending the winter in Frost Proof, Florida.

G. Borgquist is working for George Pierce in North Sterling.

As George Phillips' driving horse is sick he has been obliged to purchase another to use on the school team.

Mr. P. H. Coffey and Mrs. A. E. Hall visited friends in Central Village Friday.

John Youngblood has moved his family from Boston to the farm recently purchased from Felix Lefleur.

Mr. and Mrs. Raymond Gates have been entertaining Mr. Gates' sister of Danbury.

Mrs. and Mrs. Herman Barlow spent Sunday with Mrs. Barlow's father in Danbury.

Several friends of Dora Lefleur hung her a May basket Thursday evening. After all had been caught, Miss Lefleur invited them in and a pleasant evening was spent. Refreshments were served.

Mrs. Fred Shippee spent Thursday with her sister in Danbury.

Memorial day exercises will be held in the church Sunday afternoon next.

CLARK'S CORNERS

T. J. Navine of Bridgeport is at P. J. Navine.

Mrs. J. J. Bakker has returned to her home in Warwick.

Mr. and Mrs. Harry Stebbins, Miss Gertrude Murray, Mr. and Mrs. William Pitcher and Miss Jessie Hill, all of Norwich, were at Allen Jewett's Sunday.

Vienna possesses a unique orchestra. All the members of it, from the director down to the drummer are doctors of medicine.

Have You Piles?

Thousands who have piles have not learned that quick and permanent relief can only be accomplished with internal medicine. Neither cutting nor any amount of treatment with ointments and suppositories will remove the cause.

Bad circulation causes piles. There is a complete stagnation of blood in the lower bowel and a weakening of the parts. Dr. J. S. Leonard's remedy is HEM-ROID, a tablet medicine, taken internally, that is now sold by druggists generally. Dr. Leonard has taken internally, that is now sold by druggists generally. Dr. Leonard has taken internally, that is now sold by druggists generally.

Don't waste any more time with outside applications. Get a package of HEM-ROID from Lee & Osgood today. It has given safe and lasting relief to thousands of people, and should do the same for you—it seldom fails.

A Way to Dainty Teeth

To Safer, Whiter, Filmless Teeth

All Statements Approved by High Dental Authorities

See How Teeth Glisten When the Film is Gone

The results of Pepsodent show clearly in white, glistening teeth. You can see them everywhere, for a million folks now employ it. You can see them on your own teeth when you remove the film. And that's the purpose of this ten-day test.

Based on Pepsin

Pepsodent is based on pepsin, the digestant of albumin. The film is albuminous matter. The purpose of Pepsodent is to dissolve it, then to constantly combat it.

But pepsin must be activated, and the usual agent is an acid harmful to the teeth. So pepsin long seemed impossible.

What science has now done is to invent a harmless activating method. That method is employed in Pepsodent. The result is a tooth paste which will do what nothing else has done. And five years of tests seem to clearly prove that it opens a new dental era.

Pepsodent has been submitted to every form of clinical and laboratory test. Dentists everywhere have watched its effects and now urge its daily use. This week we offer a test to you, and we ask you to accept it.

Look in Ten Days

We urge this test for your sake and your children's sake. Children have most to gain from cleaner, safer teeth. Try to avoid the troubles we have had.

Present this coupon for a 10-Day Tube. Use like any tooth paste. Note how clean the teeth feel after using. Mark the absence of the slimy film. See how teeth whiten as the fixed film disappears.

A book comes with the sample tube, explaining the results. Learn the reason for them. Compare them with the results of old methods. Then let your own good sense decide what method to employ.

This test is of lifetime importance, both to you and yours. It has shown at least a million people the way to whiter, safer teeth. Someone in your home should make it. Cut out the coupon so you won't forget.

Out-of-town residents should mail this coupon to The Pepsodent Company, 1104 So. Wabash Avenue, Chicago, and the tube will be sent by mail.

Norwich Bulletin

Film on Teeth Is What Wrecks Them

Dental science has found that most tooth troubles are due to a slimy film. You can feel it with your tongue.

That film clings to the teeth. It gets between the teeth, enters crevices and stays. The tooth brush doesn't end it. The ordinary dentifrice cannot dissolve it. So its damage is unceasing.

That film is what discolors—not the teeth. It is the basis of tartar. It holds food substance which ferments and forms acid. It holds the acid in contact with the teeth to cause decay.

Millions of germs breed in it. They, with tartar, are the chief cause of pyorrhea. Also of many other troubles, local and internal.

That is why brushed teeth discolor and decay. Why tartar forms and pyorrhea starts. You may remove the debris, but the real cause of tooth troubles—the clinging film—is largely left to do its damage.

Now dental science has found a way to combat that film, after years of searching. We ask you to accept a ten-day test and see the results for yourself.

ASSIGNMENTS ARE MADE FOR COMMON PLEAS TRIALS

There was a motion list session of the court of common pleas in New London Monday afternoon with Judge Charles B. Walker presiding. The following cases were assigned:

May 20—Lincoln vs. Wolfe.
June 2—Martini vs. Cairns.
June 6—Pozdovsky vs. Kammererofsky.

June 11—Cote vs. Norwich Grain & Feed Co.; Bates vs. Davis; Esley vs. Gallivan; Machlewski vs. Freeman.

June 21—Lincoln vs. Robinson; Lucy vs. Wheeler, et ux.
June 28—Dewell vs. Sands; Gilbert vs. Palmer; Palmer Motor Sales Corp. vs. Kelley.

A demurrer as argued in the case of Hines, director general of railroads, et al. vs. Brown, and the judge took the papers.

Judgment was set aside in the case of Santageli vs. Newark Loan Co.

Permission was granted to file an amendment to the complaint in the case of Seiden vs. Suhl.

Two weeks were granted in which to file answers or other pleadings in the cases of Silverberg vs. Weeks Furniture Co.; Meyer vs. Slutsky; Middlebrook Woolen Mfg. Co. vs. Hines, director general of railroads.

On the motion of attorneys Judge Walker restored several cases to the docket which were discontinued at the filing of the docket two weeks ago.

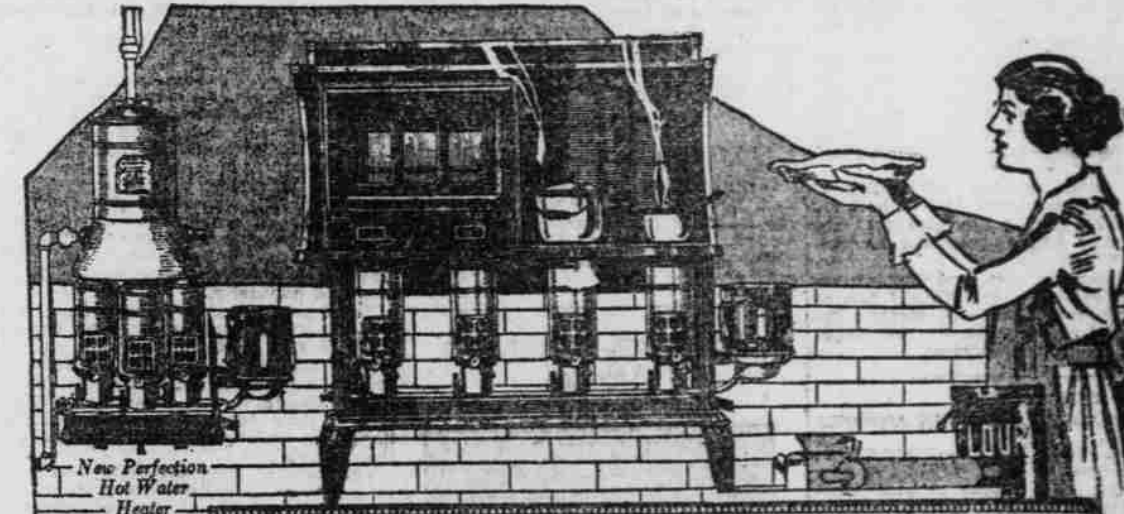

But They Overlooked.

North Dakota drought-suffering farmers want to borrow \$10,000,000 from the federal government to buy seeds with. How does it happen that the non-partisan league cure-all government is unable to negotiate such a trifle as a lack of rainfall?—Housen Post.

Fine feathers may not make fine birds, but they make a fine showing on your wife's new spring bonnet.

TO RELIEVE CATARRHAL DEAFNESS AND HEAD NOISES

If you have catarrhal deafness or are hard of hearing or have head noises, go to your druggist and get one ounce of Parmit (double strength) and add to it a pint of hot water and a little granulated sugar. Take one tablespoonful four times a day. This will often bring quick relief from the distressing head noises. Clogged nostrils should open, breathing become easy and the mucus stop dripping into the throat. It is easy to prepare, costs little and is pleasant to take. Anyone who has catarrhal deafness or head noises should give this prescription a trial.

Imagine Baking Day in a COOL Kitchen

Cakes that are light and fluffy—crisp brown cookies—pies done to an even brown—can be baked without standing over a hot stove or stooping down to open an oven door. The New Perfection Oil Cook Stove gives you all the cooking comfort and convenience of a gas stove. Instantaneous heat directly applied to the cooking utensil by means of a long, blue chimney—heat that can be controlled for any kind of cooking by a turn of the handle.

The oven on this stove is scientifically constructed to circulate fresh, hot air over and under the baking food in the oven. This current of air assures an intense, even baking heat and at the same time drives out the steam and prevents sogginess.

3,000,000 users get three square meals daily with little effort on the New Perfection Oil Cook Stove. Obtainable in one to four sizes.
